MEMORANDUM FOR: Acting Chief, Development Projects Division

SUBJECT 25X1A5a2 Visit by [REDACTED]
Hycon Manufacturing Company - 7 March 1962

25X1A5a2 1. The following is furnished for your information only and no action is required. [REDACTED] spent an hour with the DD/R describing various areas of interest in which Hycon feels they are competent.

25X1D 2. His first subject was a guided homing rota-shute for aerial cargo resupply operations. From his description this should be very similar to the ITEK proposal of nine months ago. He was given no encouragement on this item. He discussed at some length the photographic reconnaissance [REDACTED]
25X1A5a2 This is a tactical reconnaissance system and I see little interest on our part. [REDACTED] then discussed at some length possible reconnaissance systems which might be employed in the event that our DISCOVERER/SAMOS program was nullified by either physical or political reasons. This included a dissertation on drone reconnaissance and the problems of complete destruction of an aerial vehicle. 25X1A5a2

25X1A9a 3. [REDACTED] has a proposal along the latter lines which he will be making [REDACTED] probably for the NRO. He is going to forward the DD/R a copy of this proposal for our information and you will receive it.
